MEMORANDUM FOR: Director, Office of Information Technology

VIA: Associate Deputy Director for Administration

FROM: Richard F. Stolz  
Deputy Director for Operations

SUBJECT: STU-3 Units For the Office of The Deputy  
Director for Operations

1. Action Requested: Undertake necessary surveys and provide six STU-3 units to the Office of The Deputy Director for Operations.

2. I request six STU-3 units be allocated to my office to facilitate secure after-hours communications. The nature of the Directorate's overseas activity generates frequent after-hours business and it is often necessary that I communicate with the Associate Deputy Director for Operations and other members of my immediate staff following normal business hours. Provision of STU-3 units to this office will assure that such communications are accomplished securely. I envision locating the STU-3 units as follows:

3. I would appreciate your effort in expediting provision of the STU-III units.

25X1

Richard F. Stolz
